

Advanced Educational
**COURSES IN
PLASTIC SURGERY**

In October this year, the British Association of Plastic, Reconstructive and Aesthetic Surgeons (BAPRAS) will be hosting the first in a series of Advanced Educational Courses in Plastic Surgery in Manchester, UK.

These courses are aimed at specialist trainees and established surgeons in plastic surgery and allied disciplines, both from the UK and the wider international community. Each course will be delivered by leading international experts who will showcase the very latest surgical skills and techniques. Covering a range of subjects, the courses will meet CME requirements and will help support recertification.

All courses will be held at the Manchester Conference Centre, central Manchester, and the course facilities have been specially chosen to provide a stimulating and high quality educational experience.

The British Association of Plastic, Reconstructive and Aesthetic Surgeons is the professional representative body for plastic and reconstructive surgeons in the UK. As the voice of plastic surgery, BAPRAS is proud to present and host these Advanced Educational Courses in Plastic Surgery, which will bring together some of the leading authorities within our specialty.

We look forward to welcoming you to Manchester.
